

ACCOR

Bubbles and Buyouts

When you want to be six feet apart, but together at heart, we have the perfect solution. Our bespoke **bubbles** can offer private use of meeting space, guestrooms, food and beverage venues and activities, while our **buyouts** provide you full hotel or resort exclusivity.

We invite you to inquire about bubbles or buyouts with the Accor North and Central American locations below. We would be delighted to design a signature offering for you and your guests.

For more information, or to send an RFP, please contact meet@accor.com
