HIGH SOCIETY PACKAGE

The **“High Society”** package is for TV-inspired travelers who want to live life like a wealthy lord or lady.

Our historic hotel, also known as the “Grand Dame of Boston,” is famous for its old-world architectural splendor: painted ceiling murals, Italian marble, mosaic tiles and Beaux Arts style carved moldings. Walking through our palatial lobby and ornate ballrooms will instantly transport you in time, as if you were roaming the gilded hallways of a Regency or Victorian era estate.

Your extravagant stay begins with overnight accommodations in our magnificent

Presidential Suite. A grand display of floral arrangements featuring fashionable springtime blooms from a local studio, **Sydney Smith Design.** You are then cordially invited to a private Afternoon Tea service in one of our opulent Ballrooms and the finale is an intimate tour of Boston’s **Gibson House** which served as home to three generations of the Gibson family and their household staff between 1859 and 1954.

The package has received attention from local media as well as **The New York Times.**

“High Society” is bookable for stays between Friday, March 25th and Sunday, June 30th with rates starting at \$8,500 per night.
